MANNY ONTIVEROS

OCCUPATION: Governing Board Member, North Orange County Community College District/Probation Officer

As a lifelong district resident and Probation Officer, I have demonstrated a strong commitment to improvement within our community. Consistent involvement has afforded me the opportunity to keep my fingers on the pulse of current issues affecting our community college district.

Higher education plays an integral role in providing individuals with the necessary skills to become successful in today's marketplace. I value the importance of continuing one's education. I am dedicated to making Fullerton and Cypress colleges accessible for all students who are willing to pursue their educational dreams and goals.

As a board member for the past five years, I am actively involved in addressing the important issues concerning our district. I support increasing our technology fund, expanding our public-private partnerships, and advocate a sound fiscal budget.

I oppose higher taxes. I firmly believe that government should live within its means. I will continue to be an advocate for a strong annual balanced budget.
